Keeping in view the availability of funds and the need to optimise infrastructural facilities in the existing Export Processing Zones, the Govt. of India is presently not considering developing new zones in the country. The need for greater involvement of the State Govts. in export efforts of the country has been felt. Accordingly, an Export Promotion Industrial Park (EPIP) Scheme has now been drawn up which envisages grant of central assistance towards development by the State Govt. of Industrial infrastructure with export orientation. Under this scheme the Central Govt. has also approved a proposal of the Karnataka Govt. for setting up of such a park at Hoodi (Bangalore) in 1994-95.

758. SHRI V. NARAYANASAMY: Will the Minister of CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION be pleased to state:

(a) the number of complaints received by the Consumer Disputes Redressal forum (CDRF) during the last one year and how many of them have so far been disposed of by it; and

(b) steps taken by Government to reduce complaints?

THE MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI BUTA SINGH): (a) The Ministry of Civil Supplies, Consumer Affairs and Public Distribution is compiling this information on Quarterly basis. As per information available with Central Government. 5,95,254 cases have been filed in the various State Commissions and district Fora in the country, out of which 3,80,913 have been disposed of. In the National Commission, 6,681 cases have been filed out of which 4,399 have been disposed of.

However, responsibility of setting up of additional District Fora lies solely with the State Governments. The Central Government has also approved the proposal of grant of one time financial assistance of Rupees sixty one crores to strengthen the infrastructure of Consumer Courts to ensure smooth functioning.
